

Dear Willows Children,

We are all delighted that we will be welcoming you back to school over the next few weeks. We have missed you all and are looking forward to seeing you and hearing all about your time at home.

To help us to support you on your return we would like to know how you feel about coming back to school. We understand that you might have been worried and confused when the school closed. You also might feel worried about returning to school.

We are asking you these questions to find out how you feel, and if there is anything we can do to help you do your best. Your answers will help us make sure everyone feels happy, safe and comfortable when they are back at school.

You can either send your form back to us via email to willows.admin@trafford.gov.uk If you want to keep it private please password protect it with the password **wpstimp2020** Or you can write your answers on the form and bring it back to school on your first day.

Of course when you are back in school, you will be able to talk to your 'learning bubble' grownups as well. All the adults at the Willows will be here to help and support you, so please do not keep any of your worries to yourself.

Take care of yourselves,

Mrs Warren
