

3rd April 2020

Dear Parents / Carers,

I hope this secondly weekly update finds you all healthy and well.

I know it must seem strange to you that we have had a week's holiday already. I trust that you have been able to create some special family moments, even though you haven't been able to get out and about or go away.

It certainly feels different for us in school as we have been open every day to support the country's key workers who are so vital in the response to Covid-19. A few pupils from other local schools have joined us for the holidays. I am immensely proud of our staff and children who have welcomed them warmly and made them feel part of our special community. I know their parents are very grateful and we are pleased to be able to contribute in our own small way.

I am sure many of you clapped for the NHS and many other vital workers last Thursday and last night, I was impressed to even see fireworks in the night's sky. There are so many members of our school family that fall into the key worker categories and I would like to take this opportunity to thank every one of you personally for all that you are doing.

As promised, our wonderful school rainbow appeared on the front door on Monday. It has been a joy to see so many families coming to see it and waving at us in school. A big thank you must be said to Miss Richardson, Miss Jones and Mrs Rashud for creating this piece of art. In the streets around my house the local residents are now placing teddy bears in the windows for children to spot on their daily walks, maybe we could do this in Timperley too.

Thank you once again for all the lovely emails and updates that many of you are sending into school. We love seeing your photos and hearing about what you have been up to. It is good to know that many of you are reading my daily 'Blogg' which I will continue again this week.

The weather forecast looks good for the weekend ,so I hope you are all able to make the most of warmer weather and continue to make happy family memories together.

Take care, look after yourselves and each other.

Mrs Warren
