

Dear Parents / Carers,

I am writing this email in the hope that you are all well and healthy. I feel it is appropriate to update you of our response to Covid-19 and what is happening in school.

Having heard the Prime Minister's words last night that,

*"Everyone should avoid gatherings and crowded places, such as pubs, clubs and theatres,"*

and having consulted with the senior management team and the chair of governors, I made the decision to cancel the two performances of our Key Stage 1 production.

In addition, I would like to draw your attention to the increased response required if your child / children show symptoms of a **new continuous cough and / or a high temperature**. Your child and now **their siblings should be kept at home for 14 days**. Please visit the following link for government advice. <https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

I can only hope that these difficult times will allow us to reflect on the good things in our lives and to be thankful for them, rather than focus on the difficulties we are experiencing.

Thank you as always for your support and understanding.

Kind regards,

Mrs Warren
