

Term	Theme Title
Autumn 1	On Top Of The World

Knowledge and Skills Coverage

Art Objectives

- Create sketchbooks to record and revisit observations
- In textiles, use basic stitches
- Use a range of artistic vocabulary to discuss and evaluate work
- Apply art and design techniques with creativity, experimentation and increasing awareness
- Draw on work of other artists for inspiration and begin to emulate their style
- Know about great artists, architects and designers and how their art/design reflected and shaped our history and contributed to the culture of our nation

Prior Knowledge	Year 2 : Around The World With The 3 Bears. Children practised running stitch on fabric swatches.
------------------------	---

Cultural Capital Opportunities	The children chose the theme for their own creations to link with a whole school disco at the end of term.
---------------------------------------	--

Key Knowledge

How to measure, draw around a template, match thread and material colour, thread a needle and use running stitch. New stitches to be introduced. Be able to design, plan, and make their own creation from fabric.
